

Thomas Gilvear

VOICE ACTOR

Profile

As a dynamic and versatile voice actor with years of experience in the industry, I bring characters to life with a vibrant energy that captivates audiences. With a proven track record of success, I have lent my voice to animated films, top-rated video games, and popular commercials, showcasing my range and talent.

My exceptional ability to portray a wide array of unique voices, combined with my dedication, professionalism, and impeccable delivery, make me a standout choice for any project seeking to leave a lasting impression.

Employment History

Voice Actor, Forteller Games

APRIL 2023

Forteller creates immersive and professional audio narration for board games, original audio drama series, and interactive gaming applications. Forteller Games helps create audio for game companies such as Red Raven, Addax, Sky Kingdom and more.

Voice Actor, VRAI

JUNE 2023

VRAI create data driven VR simulation training for high hazard environments. Their customers are leading organizations like the Irish Defense Forces, the United Nations in Somalia and IAG at Heathrow Airport. I had the pleasure of supplying a voice to their training.

Voice Actor, Michinoku-Toge

JULY 2023

Michinoku-Toge is an incredible animator from Japan and I had the honor of re-voicing his work into English! Full feature length series about a cruel world and a second chance for a unlucky soul.

Voice Actor, Stellar Toons

APRIL 2023

"Midwich Valley" is a groundbreaking animated show that takes viewers on a thrilling ride into the world of a super-hero prison like never before. I had the honor to play the sleazy, charismatic Taylor Crawfen.
